

Explicit Instruction: Clarity, Structure, and Success

This training is provided by the Blumberg Center for Interdisciplinary Studies in Special Education at Indiana State University. The Center offers technical assistance to schools and districts by providing resources, professional learning, coaching, and implementation support.

Session Description:

Explore the critical components of explicit instruction—clear objectives, step-by-step guidance, and direct teacher-student interaction. This session will highlight effective teaching techniques that ensure students understand and retain core concepts, providing students with the knowledge they need to explore and expand skills in each content area.

Target Audience:

- General Education Teachers
- Special Education Teachers
